

## What does that Social Media term mean?

**Conference calling** is a telephone call in which someone talks to several people at the same time. The conference calls may be designed to allow the called party to participate during the call, or the call may be set up so that the called party merely listens into the call and cannot speak.

**Facebook** is a free online social media site and social networking service originally designed to connect college students across campuses.

**HDMI cable** - (High-Definition Multimedia Interface) is a proprietary audio/video interface for transferring uncompressed video data and compressed or uncompressed digital audio data from an HDMI-compliant source device, such as a iPhone to a computer monitor, video projector, or digital television.

**Instagram** is an free online mobile photo-sharing, video-sharing, and social networking service that enables its users to take pictures and videos, and share them either publicly or privately on the app, as well as through a variety of other social networking platforms, such as Facebook, Twitter, Tumblr, and Flickr.

**LinkedIn** - LinkedIn Corporation is a social networking website for people in professional jobs.

**ooVoo** is a free video chat and an instant messaging client developed by ooVoo LLC for Microsoft Windows, Windows Phone, Mac OS X,<sup>[1]</sup> Android, iOS and Facebook.

**Skype** is a free software program that uses the internet to make audio and video telephone calls.

**Twitter** is a free social networking and microblogging service. Users use mobile phones or computers to send and to read messages, called "tweets". Tweets can be up to 140 characters long. They appear on the user's profile page.

**Zoom** - Offering both cloud meeting and webinar software, Zoom is most known for Zoom Video Conferencing, also referred to as "Zoom" by users, which combines video conferencing, online meetings, and mobile collaboration into one platform. It has a minimal free portion and a paid professional membership that is rather inexpensive and more reliable. Many persons can be connected with a professional license.

**A Nuns' Life Ministry** - This online faith community and nonprofit ministry reaches out with a pastoral presence to thousands of people worldwide each day. The website targets "discerners" and those seeking spiritual nourishment and the audience is both men and women. ANunsLife.org is a place where persons can talk with religious and lots of other people on topics such as spirituality, prayer, community, ministry, and more. The website is also a resource center for blog posts, podcasts, chat room, and other resources at <http://anunslife.org/> (Even though the little of the organization is known as "A Nun's Life Ministry," men have connected with them and use their website and social postings as part of their discernment to join religious life.)
